

Centre for Research in Occupational Safety and Health (CROSH)
Student Internship Reflection
2021-2022

Upon the completion of your internship, we ask that you reflect on your experiences.

Your Name:

Your Email:

Internship Workplace:

Name of Supervisor at Workplace:

Supervisor Job Title:

Project Title:

Outline/describe your project:

What did you learn during/from your internship in terms of Occupational Health and Safety? (Please attach separate documents if you require more space)

What else did you learn during/from your internship? Personally, organizationally, etc. (Please attach separate documents if you require more space)

Do you feel this internship was a worthwhile experience? Would you recommend this workplace/experience to another student? Please explain why or why not.

If appropriate, please provide a short statement that CROSH can use on as part of our communications and reporting (social media, website, Annual Report, etc.). For example, you might wish to 1) thank your internship workplace for the opportunity and 2) explain why your project was important for occupational health and safety. When shared, this statement may be lightly edited for grammar and clarity.

Please attach any and all products that you developed as part of your internship (infographics, brochures, posters, etc.), including the editable files. For example, if you made an infographic in Powerpoint, please include the .ppt file in addition to the pdf/png/jpg.
