

Centre for Research in Occupational Safety and Health (CROSH)
Workplace Comments on CROSH Internship
2021-2022

Thank you for hosting a CROSH student intern and helping to invest in the future of Occupational Health and Safety in Northern Ontario workplaces. To help us make these internships the best they can be, we invite you to provide any comments you would like about the internship. We also invite you to provide a testimonial if the internship was beneficial to your organization.

Workplace:

Supervisor
Name:

Supervisor
Job Title:

Comments/Testimonial about the Internship

You can check this box if you allow us to include these comments in whole or in part when advertising for future internships (e.g. as a workplace testimonial).

Thank you!
